# entertainment, comfort and convenience

## SOUND EQUIPMENT

**AM RADIO** (For all Ford and Lincoln-Mercury cars) All-transistor receiver provides excellent reception of AM stations. Features pushbutton station selector, lighted dial and tone control.

**AM/FM MONAURAL RADIO** (For most Ford and Lincoln-Mercury cars) Offers clear FM reception at an economical price. All-transistor receiver features pushbutton tuning, lighted dial and tone control.

**AM/FM MULTIPLEX STEREO RADIO** (For all Ford and Lincoln-Mercury cars) Gives you the additional option of hearing your FM broadcasts in dynamic stereo. All-transistor receiver features a signal light which indicates when radio is receiving an FM/Stereo broadcast. 5 x 10 pushbutton selector lets you pre-select 5 AM and 5 FM stations. Radio also has lighted dial, tone and speaker balance control.

**AM/FM MULTIPLEX STEREO SEARCH RADIO** (For most Ford and Lincoln-Mercury cars) Provides all the quality features of the AM/FM Multiplex Stereo Radio above, PLUS the convenience of a sensitivity control which uses "Seek" and "Scan" modes to search out "Town" (only stations with strong signals), "Country" (all stations) or "Stereo" (only FM/stereo stations). When "Seek" button is pushed radio will stop at next station on the dial. "Scan" button pauses at each station for eight seconds, until you find one you want.

**AM/FM MULTIPLEX STEREO RADIO/STEREO 8-TRACK TAPE PLAYER** (For Cougar, Ford, Granada, Lincoln-Continental, Mark IV, Mercury, Monarch, Montego, Mustang II, Torino and Thunderbird) Gives you the same features as the AM/FM Multiplex Stereo Radio above PLUS a great-sounding stereo 8-track player. Just pop in a cartridge to hear your favorite taped music ... pop out the cartridge to hear AM, FM or FM/stereo broadcasts.

**AM RADIO/STEREO 8-TRACK TAPE PLAYER** (For most Ford and Lincoln-Mercury cars) Provides the excellent AM reception and all the features of the AM Radio above, PLUS the added benefit of a built-in stereo 8-track tape player for listening to your favorite pre-recorded music in rich stereo sound.

**REAR SEAT SPEAKERS - AM RADIO** (For selected Ford and Lincoln-Mercury cars) Dual or single units blend with interior decor and give your AM radio a richer sound.

**ELECTRIC ANTENNA** (For all Ford and Lincoln-Mercury cars except Capri, Lincoln-Continental, Mark IV, Pinto, Bobcat, Thunderbird and Station Wagons) Convenient feature lets you adjust antenna length right from the driver's seat.

**FORD STEREO 8-TRACK TAPE CLUB** The finest in 8-track tapes ... yours at reduced prices when you join the Ford Stereo 8-track Tape Club. For complete information write: Ford Stereo 8-track Tape Club, Box 26883, Lawrence, Indiana 46216.

## AIR CONDITIONERS

Cool driving comfort is yours when you have your dealer install one of these air conditioners in your car. Each unit offers "built-in" styling tailored to the interior of your car with controls that are easy to reach from the driver's seat. Choice of three blower speeds and individually controlled air registers for complete air flow control, as well as fully adjustable thermostatic temperature control.

**PINTO/BOBCAT** Built-in unit fits neatly behind the instrument panel. Console with built-in controls provides plenty of storage area, offsetting partial loss of glove box space.

**COUGAR/MONTEGO/ELITE/TORINO** Travel in comfort with this streamlined built-in system. Design maintains original passenger leg and foot room, with very little loss of glove box space.

**FORD** Powerful, built-in unit supplies cool luxury for most full-size Fords. Rich-looking control panel blends perfectly with the standard instrument panel. An accessory glove box is provided to compensate for loss of original glove box area.

**CAPRI II** You'll enjoy the pleasant relief from the heat that this built-in unit provides. You get efficient cool air distribution plus easy access to the controls, with partial loss of glove box space.

**MUSTANG II** Specially-designed built-in unit really adds the final touch of class to your sporty Mustang II. Partial loss of glove box space is a small sacrifice, compared to the pleasure the unit provides.

**GRANADA / MONARCH** You'll enjoy your Granada or Monarch even more

when you travel in the cool comfort this built-in system provides. With the replacement glove box, there is no loss of storage space.

**MAVERICK/COMET** Special built-in design is precisely tailored to dash styling of the Maverick and Comet, so there's no loss of glove compartment space.

## OTHER CONVENIENCE EQUIPMENT

**ELECTRIC CLOCK** (For Ford, Mercury, Montego and Torino) Self-regulating unit provides you with accurate time whenever you're on the road.

**DIGITAL CLOCK** (For Ford, Granada, Mercury, Monarch and Mustang II) Precision unit adds elegance to the instrument panel. Easy-to-read hour and minute numerals give you the exact time quickly.

**UNIVERSAL SPEED CONTROL** (For all Ford and Lincoln-Mercury cars with automatic transmission - also Econoline and F-100/350 Trucks) Simply press button to maintain desired highway speed. Helps reduce driver fatigue on long trips and may even conserve fuel by maintaining a steady speed as long as traffic conditions permit.

**CIGAR LIGHTER** (For Maverick, Pinto and Bobcat) Safe, quick light-ups while you're on the go.

**VANITY MIRROR** (For all Ford and Lincoln-Mercury cars) Helps you maintain personal appearance inside the car. Fastens to back of sun visor. Part No. C6AZ-17A679-A.

**POWER STEERING** (For Comet, Granada, Monarch and Maverick) Reduces your steering effort for more comfortable driving. (Not illustrated.)

**POWER BRAKES** (For Granada, Monarch and Mustang II - disc brake type) Fast-response system provides easy, dependable braking. (Not illustrated.)

**REMOTE CONTROL TRUNK LID RELEASE - ELECTRIC** (For all Ford and Lincoln-Mercury cars except Capri, Cougar, Elite, Ford, Granada, Monarch, Montego and Torino) Lets you open trunk from inside the car - no key necessary. Part No. D5MZ-65432A00-A. (Not illustrated.)

# visibility, protection and appearance

---

## VISIBILITY

---

**LEFT-HAND REMOTE CONTROL MIRROR** (For Ford, Comet, Cougar, Granada, Maverick, Mercury, Monarch, Montego and Torino) Chrome-finish mirror installs on door...handy inside angle-adjustment control provides easier rear viewing.

**DUAL RACING MIRRORS** (For Torino, Comet, Cougar, Maverick, Montego, Mustang II, Pinto and Bobcat) Door-mounted mirrors add a dash of sportiness. Left-hand remote control and right-hand manual, available as set only. Paint to match car finish.

**RIGHT-HAND MANUAL MIRROR** (For Montego and Cougar) — Also right-hand manual adjustment mirror to match left-hand remote for Cougar, Ford, Mercury and Montego. (Not illustrated.)

**REAR WINDOW DEFOGGER** (For Ford, Mercury, Montego, Torino (except Station Wagons), Comet, Cougar, Maverick and Pinto and Bobcat 2-Doors) Installs in rear window deck to keep rear window fog-free. Blends with interior finish. Part No. D3AZ-18397-B. (Not illustrated.)

---

## APPEARANCE

---

**RUBBER FLOOR MATS WITH CARPET INSERT** (For all Ford and Lincoln-Mercury cars) Give car interiors a plush, luxury look. Fine rubber mats with harmonizing carpeted inserts available in black, blue, red, brown, green or gold.

**CUSTOM RUBBER FLOOR MATS** (For Ford, Mercury, Montego, Torino, Mustang II, Pinto, and Cougar) Rugged rubber mats feature model identification. Choice of black, blue, brown, red, green or white (Pinto not available in red or brown; Cougar not available in white). Two-piece front and two-piece rear available for all models. Full front and full rear also available for Ford and Mercury.

**ECONOMY RUBBER FLOOR MATS** (For all Ford and Lincoln-Mercury cars) Full front and two-piece rear budget rubber mats in black, white, red and blue. (Not illustrated.)

**UNIVERSAL VINYL FLOOR MATS** (For all Ford and Lincoln-Mercury cars) Full-front and full-rear mats available in opaque black, opaque white, or transparent clear.

Two-piece front and two-piece rear mats available in opaque black or transparent clear. (Not illustrated.)

**HOOD ORNAMENT** (For Ford, Maverick, Pinto, Torino and Light Truck) Adds a distinctive styling touch. Chrome-plated unit with colorful insert features "Fold-down" design. Part No. D3AZ-16850-B.

**BODYSIDE MOLDING** (For all Ford and Lincoln-Mercury cars) Helps prevent paint chipping by bumps from other car doors. Also adds a styling highlight to bodyside. Self-adhering, bright-edge vinyl moldings with double-speared ends. Pre-cut set for Comet and Maverick.

Universal 17-foot sets for all models. Part No. D2AZ-6221048-A.

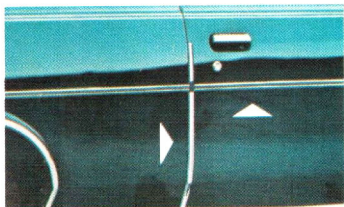

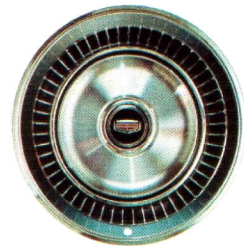

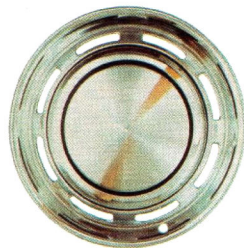

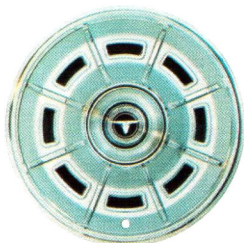

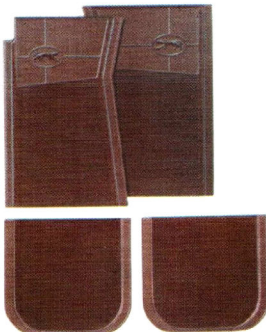

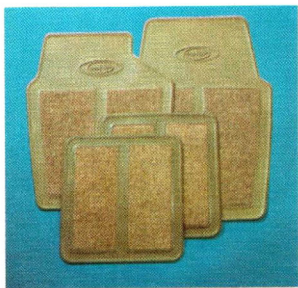

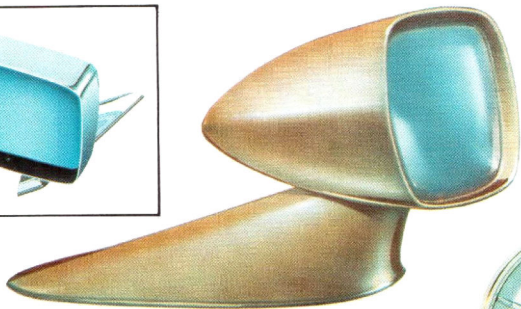

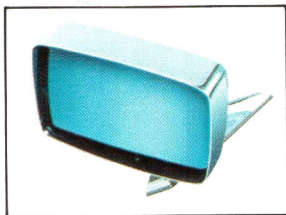

**DOOR EDGE GUARDS** (For all Ford and Lincoln-Mercury cars) Custom-formed, sparkling door trim helps prevent edges from chipping. Durable, narrow strips are easy to attach.

**LICENSE PLATE FRAMES** (For all Ford and Lincoln-Mercury cars except Mark IV) Attach easily to add dress-up protection for license plates. Satin-finish, corrosion-resistant aluminum. Part No. D2AZ-17A387-A.

**WHEEL SPLASH GUARDS** (For all Ford and Lincoln-Mercury cars except Continental) Good-looking, practical accessory for all cars. Mount behind front and rear wheels to help protect car from mud, water and gravel thrown by tires. High-quality rubber and stainless steel.

Also available in new low cost durable plastic. (Not illustrated.)

**WHEEL COVERS** (For Comet, Cougar, Ford, Lincoln-Continental, Mark IV, Maverick, Mercury, Montego, Mustang II, Pinto, Bobcat, Thunderbird and Torino) Give your car an extra touch of class. A variety of distinctive styles are available.

# safety, security, fuel economy

## HIGHWAY TOOL AND SAFETY KIT

(For all Ford and Lincoln-Mercury cars)  
This versatile kit will be a valuable possession in case of an emergency on the road. It's an assortment of tools and equipment in a carrying case that's mighty handy around your home as well. Part No. D4ZZ-19F515-A.

## TOT-GUARD CHILD SAFETY SEAT

(For all Ford and Lincoln-Mercury cars)  
Safety engineered to provide improved protection for children from 20 to 50 pounds. Unique shield with washable, vinyl-covered crash pad gives the extra protection a growing child needs. Secures to car seat quickly with standard seat belt system.

**INFANT SAFETY CARRIER** (For all Ford and Lincoln-Mercury cars) Ideal protection for infants up to 20 pounds. Contoured to cushion impact forces over the body. Sturdy, washable unit is held securely in place by vehicle safety belts.

## LIFEGUARD JUNIOR DOOR LOCKS

(For all Ford and Lincoln-Mercury 4-door cars) Keeps rear doors locked until opened with key. Prevents child passengers from opening doors while car is in motion. Simple to install. Part No. C6AZ-5421850-B.

## FUEL SENTRY

(For Ford, Cougar, Mercury, Montego, Torino and Light Truck)  
Manifold vacuum gauge can save you gasoline dollars. Unit constantly monitors engine vacuum so you can adjust your driving to attain peak engine efficiency and better gas mileage. Part No. D4AZ-10B944-B.

## AUTO-ALARM

(For all Ford and Lincoln-Mercury cars) System helps protect passenger compartment, luggage compartment and engine compartment against illegal entry by causing horn to blow and hazard lights to flash. Part No. D4AZ-19L514-A. (Not illustrated.)

## DECK LID SECURITY DEVICE

(For all Ford and Lincoln-Mercury cars with electric rear deck lid release) Simple device replaces rear deck lid lock cylinder with a "beauty bolt", making illegal entry to the luggage compartment much more difficult. Part No. D4AZ-54432A00-A. (Not illustrated.)

## SPARE TIRE LOCK

(For all Ford and Lincoln-Mercury cars) Discourages spare theft. Lock goes on spare tire mounting bolt easily - impedes tire removal without key. (Not illustrated.)

# car care products

## CLEANERS, WAXES AND POLISHES

**TAR AND ROAD OIL REMOVER** — Cuts tar, asphalt, undercoating, road oils and gummy materials. Won't harm car finishes when used as directed. Part No. B7A-19520-A (16 oz. can).

**BRIGHT METAL CLEANER** — Removes rust, salt and road chemicals from chrome, aluminum and brass ... restores shine. Protects after application. Part No. 8A-19522 (16 oz. can).

**VINYL HARDTOP CLEANER AND RECONDITIONER** — Single-step liquid removes dirt and grime and restores sheen to vinyl hardtops. Comes with brush designed for vinyl textures. Part No. C8AZ-19F535-A (16 oz. plastic squeeze bottle).

**MULTI-PURPOSE CLEANER** — All-in-one, inside and out cleaning product for Ford vehicles. Cuts dirt and grime on exterior painted surfaces and trim, wheel covers, white side-walls, vinyl, leather, carpeting, rugs and fabrics. Part No. B8A-19523-A (1 qt. plastic bottle).

**TRIPLE CLEAN** — Cleaning foam in brush-top applicator for scouring white sidewall tires, convertible and vinyl tops, leather and vinyl trim. Part No. C0AZ-19526-A (12 fl. oz. plastic bottle).

**LEATHER AND VINYL CLEANER** — Cleans, protects and adds a high sheen to leather and vinyl. Sponge/brush top for easy one-step application. Part No. D4AZ-19521-A (12 fl. oz. squeeze bottle).

**SPOT LIFTER** — Just spray on, let dry and brush off to lift soil out of most automotive interior fabrics. Handy booklet gives stain-removing instructions. Part No. C9AZ-19526-A (8 oz. aerosol can).

**SPOT REMOVER** — Fast-acting, non-flammable fluid removes spots from most automotive interior fabrics safely ... no carbon tetrachloride. Part No. B7A-19521-A (16 fl. oz. can).

**CUSTOM AUTO WAX** — Top-of-the-line paste wax produces long-lasting shine and protection against weathering. Part No. B4A-19534-A (8 oz. can).

**CUSTOM SILICONE GLOSS** — Easy-on, easy-off liquid polishing product. High silicone content provides tough, durable luster with minimum effort. Part No. B7A-19530-A (16 fl. oz. can).

## CLEAR VISION AIDS

**ULTRA-CLEAR WINDSHIELD WASHER SOLUTION** — Full-strength liquid clears off bugs, dirt and road film fast. Also provides anti-freeze protection for windshield washer system. Part No. C9AZ-19550-A (16 fl. oz. can).

**GLASS CLEANER** — Spray on, wipe off and buff ... get rid of smudge, film and smear. Ideal for window interiors and exteriors ... won't harm painted surfaces when used as directed. Part No. C8AZ-19C507-A (23 oz. aerosol can).

## TOUCH-UP PAINTS

For quick, easy touch-up of minor nicks, scratches and mars. Color-matched to Ford master color standards. Available in 1/2 fl. oz. can with brush in cap, and 6 oz. aerosol can. Part No. AE60-Color No. B or S.

## SPECIAL PRODUCTS

**GAS LINE ANTI-FREEZE** — Helps prevent carburetor icing and condensation from freezing in tank and gas lines. Compatible with all gasoline and diesel fuel. Part No. C8AZ-19C544-B (12 fl. oz. can).

**CARBURETOR AND COMBUSTION CHAMBER CLEANER** — Helps free sticky valves, reduces carbon, gum and varnish deposits from intake manifold, valve and piston area. Reduces pre-ignition and aids smooth, quiet performance in any engine. Part No. C6AZ-19579-B (19 oz. aerosol can).

**WAX TREATED DUSTING CLOTH** — A special wax treated cloth that is used to dust, clean and polish in one quick and easy step. Part No. D3AZ-19517-A. (1 cloth in plastic bag.)

## PEAK PERFORMANCE MAINTENANCE AIDS

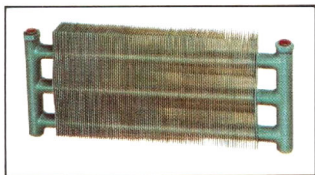

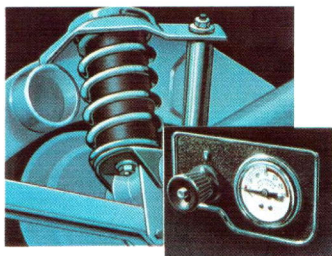

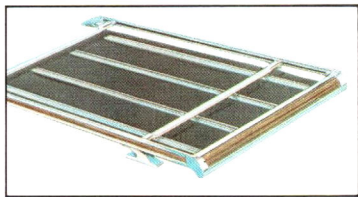

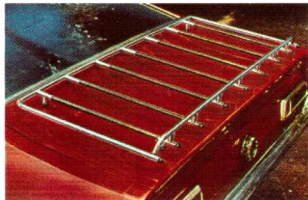

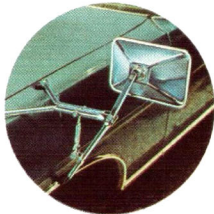

**MOTORCRAFT OIL FILTER** — Traps 50% more dirt and lasts twice as long as one-stage paper element filters.

**MOTORCRAFT AIR FILTER** — High-quality cellulose elements and special resins to avert fire and resist collapse from moisture or oil fumes.

**FORD SUPER PREMIUM MOTOR OIL** — Formulated to keep engine clean and operating at peak efficiency for long life. All-season adaptability.

**MOTORCRAFT ELECTRICAL TUNE-UP KIT** — Everything you need for a tune-up in one package. Autolite Spark Plugs, Motorcraft Point Set and Condenser, feeler gauge and cam lubricant, complete installation instructions.

# travel and recreation

**TRAILER TOWING MIRROR—FENDER MOUNTED** (For all Ford and Lincoln-Mercury cars) Provides excellent trailer area visibility. Mounts quickly on fender for utility and appearance. Right-hand and left-hand. Part No. D3AZ-17696-D.

**TRAILER TOWING MIRROR — DOOR MOUNTED** (For all Ford and Lincoln-Mercury cars) Gives driver clear view beyond trailer for safer towing. Door mounting makes adjustment easy. Right-hand and left-hand. Part No. C7AZ-17696-D. (Not illustrated.)

**REAR DECK LUGGAGE RACK** (For all Ford and Lincoln-Mercury cars except Capri, Comet, Pinto, Bobcat, Mark IV, Maverick and Mustang/Torino/Montego Fastbacks.) Supplement your cargo-carrying space by mounting this beautiful 20" x 48" chrome-finish rack on rear deck lid. Part No. C9AZ-6255100-A.

**COMPACT CAR ROOF LUGGAGE RACK** (For Capri, Pinto and Bobcat Sedans, and Mustang II) Gives your small car useful additional cargo-carrying space. Chrome-finish rack is sharp-looking as well as functional.

**DELUXE STATION WAGON LUGGAGE RACK** (For Mercury and Ford Station Wagons ... and Montego and Torino Station Wagons) Permanently-attached rack in attractive chrome and simulated wood-grain finish provides additional luggage space. Movable bar helps hold luggage securely. Air deflector feature helps keep rear window dust free.

**COMPACT STATION WAGON REAR WINDOW AIR DEFLECTOR** (For Pinto and Bobcat Station Wagons) Helps keep dust away from rear window for better visibility. (Not illustrated.)

**COMPACT STATION WAGON PAD** (For Pinto and Bobcat Station Wagons) 42" x 64" all-purpose pad adds a nice finishing touch to rear passenger area. 1-1/4" thick foam pad is covered with durable brown quilted vinyl.

**RECREATION TABLE** (For Ford and Mercury Station Wagons) Ruggedly-constructed traveling companion. Locks into position in rear passenger area for use as eating or game table (comes with magnetized checkers). Or use as a snack or picnic table at home or in parks. Folds for easy storage. Part No. D3AZ-71279B76-A.

**LUGGAGE RACK COVERS** (For use with above luggage racks) Protect your cargo in any weather. Sturdy, handsome black vinyl material is easy to install and remove ... folds up for compact storage. Cover for Station Wagon Rack measures 36" x 48"; cover for small car rack: 32" x 32".

**COOLANT RECOVERY SYSTEM** (For all Ford and Lincoln-Mercury cars) Catches radiator coolant overflow and holds it until pressure decreases. Ideal for high temperature conditions which may occur while towing, driving in heavy traffic or on long trips. Connects simply at radiator overflow tube. Part No. D0AZ-8522-A.

**TRANSMISSION OIL COOLER — HIGH CAPACITY AND EXTRA HIGH CAPACITY THIN LINE** (For most Ford and Lincoln-Mercury cars with automatic transmissions) Top cooling performance under all driving conditions, especially heavy loads. Keeps fluids cooled for longer transmission life. Ideal for air conditioned cars and trailer towing. Part No. C9AZ-7K177-A (High Capacity); Part No. D3AZ-7K177-A (Thin Line High Capacity).

**TRANSMISSION OIL COOLER — ECONOMY MODEL** (For all Ford and Lincoln-Mercury cars with automatic transmissions) Produces added fluid cooling under all load conditions. Helps increase transmission life and performance. Part No. D2OZ-7K177-A.

**AIR SHOCKS** — Help maintain a smooth, stable ride under heavy load conditions. Just inflate with air to put vehicle back on the level ... eliminates rear end sag.

**ADJUSTABLE AIR SPRINGS AND DASH CONTROL** (For Ford, Lincoln-Continental, Mercury, Montego, Mark IV, Thunderbird and Torino) Uses "air-cell" principle to add support for heavy loads and control vehicle attitude. Dash control allows easy adjustment for any load from the driver's seat.

# truck accessories

## MIRRORS

---

- 1. SWING LOCK PAINTED MIRROR** (For Econoline) 6" x 10" surface mirror installs on door for greater visibility. Adjusts easily to preferred angle ... swings in close to cab when space is needed.
- 2. LEFT-HAND REMOTE CONTROL ADJUSTABLE MIRROR - CAR TYPE** (For all Ford Trucks) Door-installed mirror in attractive chrome. Inside control for angle adjustment.
- 3. OUTSIDE RIGHT-HAND/LEFT-HAND MIRROR** (For Ford Light Trucks and Bronco) Matches standard left-hand mirror ... may be used with remote control left-hand mirror. Angle adjusts to driver's needs. Fits left or right side. Chrome finish.
- 4. SWING LOCK/LOW PROFILE STAINLESS MIRROR** (Styles to fit Ford F100/350 Trucks and Econoline) Door-mounted mirror provides excellent rear and forward vision. Stainless steel construction for long life. Adjustable angle ... swings in for side clearance in tight places. Fits either left or right-hand side. Junior Western Size.
- 5. CAMPER MIRROR - STAINLESS** (For Ford F100/350 Trucks) Improves vision with campers up to 7-1/2 feet wide. Stainless steel construction for long life. Door installed and adjustable.
- 6. PANORAMIC VISION MIRROR** (For all Ford Trucks) Installs on standard mirror bracket for larger, broader viewing field. Chrome-finish mirror has angle adjustment.
- 7. TRAILER TOWING DOOR-MOUNTED MIRROR** (For Bronco) Door mounted for convenient adjustment. Provides excellent visibility beyond trailer.
- 8. WESTERN PAINTED MIRROR** (For Ford F100/600 Trucks) Popular utility truck mirror provides undistorted view from either left or right-hand side. Mounts on conventional cab door ... adjustable angle.

---

## UTILITY AND APPEARANCE

---

- FRONT BUMPER GUARDS** (For Ford F100/350 Trucks and Courier) Provide added front end protection and reduce bumper override. Chrome-plated, heavy-gauge steel with rubber pads for absorbing extra shock.
- DOOR EDGE GUARD** (For F100/750 Trucks, Courier and Econoline) Trims and protects door edge from mars, easy to install. (Not illustrated.)

**SPLASH GUARDS** (For light, medium and heavy trucks) Heavy-duty rubber guards protect against mud and water splash. Quick installation. Comply with Federal Motor Vehicle Safety Standards. (Not illustrated.)

**SLIDING REAR WINDOW** (For Ford F100/750 Trucks) Provides extra ventilation for added cab comfort. Also ideal for letting air flow through into campers ... can also be used on front of camper cover. Tinted glass. Part No. D4TZ-10422B30-A.

**TONNEAU COVER** (For Ford F100/250 Trucks and Ranchero) Sturdy and attractive cover-up for all cargo, 8-foot style-side box. Easy to attach, remove and store. Black or white.

**REAR STEP BUMPER** (For Ford F100/250 Trucks) For convenience in climbing in and out of pick-up box. Rugged unit has built-in area for mounting trailer hitch ball. (Available standard and deluxe)

**PICK-UP BOX RAILS** (For Ford F100/260 6- and 8-foot styleside Trucks) Convenient for light cargo tie-down. Also gives an added flair to truck styling. Part No. D3TZ-9932230-A.

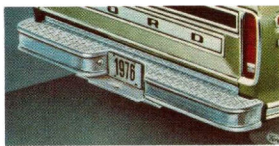

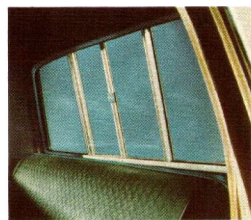

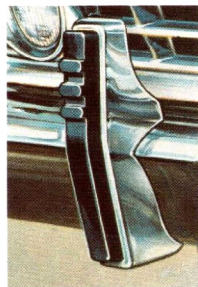

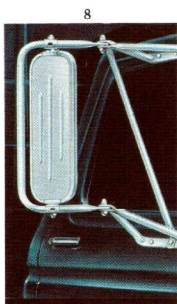

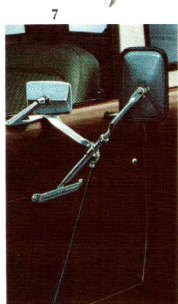

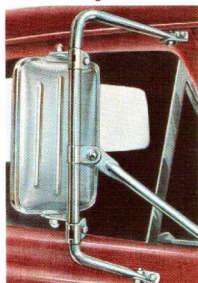

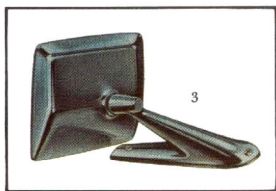

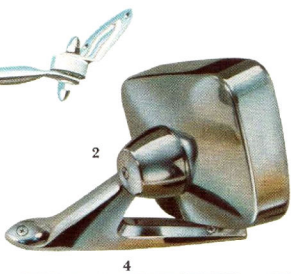

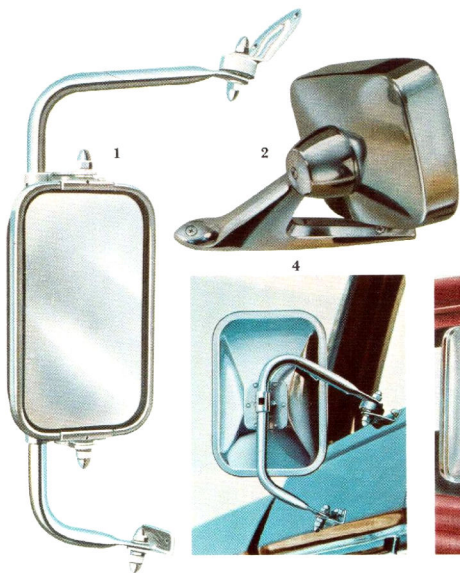

**GLIDE-OUT STEP** (For Ford F100/350 Trucks) Makes it easier to enter truck by reducing step up height. Glides out of the way under the truck when not in use. All steel construction.

**ROOF VENT** (For Econoline) Exhausts hot air from van. Fits all Econoline models without soft trim. All steel construction, primed - ready to paint to match vehicle color.

**SPARE TIRE CARRIER / FRONT - BUMPER MOUNT** (For Ford F100/250 Trucks) Provides convenient access to spare tire. Mount on bumper and hood latch support at front of vehicle - no drilling required. Durable ... zinc plated.

**SPARE TIRE CARRIER REAR - SLIDE-OUT** (For F100/250 Trucks) Permits tire to be pulled from and returned to its under-frame location at rear of vehicle. Tire slides down and out to the ground for easy access. (Not illustrated.)

**FREE RUNNING AUTOMATIC LOCKING HUBS** (For Bronco and Light Trucks) Free wheeling for increased drive train and tire life. Engages automatically when greater driving power is needed. For all Broncos (except vehicles with locking differential front axles or which do not have tapped holes in axle outer ends). Also fit F100/250 4 x 4 with 3000-lb. front axle (will not fit F250 4 x 4 with 3500-lb. front axle). Not for use on vehicles with full time four wheel drive. (Not illustrated.)

## SOUND

**AM RADIO** (For all Ford Trucks except Econoline, Bronco and "C" and "W" Series Trucks) Pushbutton operation for easy station selection. Crisp, clear reception of AM broadcasts.

**AM RADIO** (For Econoline) Convenient pushbutton selection with excellent AM all-transistor unit.

**AM RADIO** (For Bronco, "C" and "W" Series Trucks) High-quality unit for AM listening. Manual station selection.

**AM/FM MULTIPLEX STEREO RADIO** (For Ford F100/350 Trucks and Econoline) All-transistor unit provides excellent fidelity. Offers full band AM reception *PLUS* the pleasure of interference-free, full-dimension FM stereo. Handy pushbutton receiver will replace factory-installed AM radio by adding required speaker and hardware kit.

**AM/FM MULTIPLEX STEREO RADIO 8-TRACK TAPE SYSTEM** (For Econoline) Gives you all the benefits of the AM/FM Multiplex Stereo Radio above, *PLUS* you can enjoy listening to your favorite 8-track tapes while you're on the road. Easy, pop-in tape operation.

Light Truck  
Air Conditioner

## AIR CONDITIONERS

These efficient units feature manually adjustable thermostatic temperature control with a 3-speed blower and individually controlled air registers for total comfort selection.

**LIGHT TRUCK** This high-performance built-in unit is designed to be as rugged and dependable as the trucks that use it. It fits right into the instrument panel with no loss of glove box space.

**COURIER** This sleek unit with stylish woodgrain panel tucks in neatly under the dash to keep your Courier cool on hot summer days.

**ECONOLINE** Efficient cool air distribution for your Econoline. Completely built into the instrument panel, so there's no loss of space.

## CONVENIENCE & SAFETY

**CIGAR LIGHTER** (For F100 thru 350, F300 thru 750, Econoline, Bronco, Ford Trucks) A sure, safe light-up for drivers on the move.

**EMERGENCY REFLECTOR KIT** (For all Ford Trucks) Provides extra protection if your truck is disabled on the road. Three fluorescent and reflective triangles are

highly visible to traffic from either direction, day or night. Each comes with its own container which unfolds to form the base for the reflector. Meets Federal Motor Vehicle Safety Standards. Part Nos. D4AZ-19E500-A (complete kit); D4AZ-19F524-A (individual reflector).

**FIRE EXTINGUISHER** (For all Ford Trucks) Dry-chemical extinguisher is a valuable safety precaution. Easy to install and operate. Available in 5 BC and 10 BC ratings.

**DUAL AIR HORNS** (For all Ford Trucks) Strong horns give loud effective warning-Chrome finish. Includes air compressor. (Not illustrated.)

**ALL-WEATHER SAFETY LIGHTS** (For all Ford Heavy Trucks) Lights up the road in adverse weather conditions without creating glare problem for driver or on-coming traffic. Built-in louver design holds the beam on the road. Stainless steel housing, Pyrex lenses. Kit includes two lamps, all related hardware and wiring. Available for above or below-bumper installation. (Not illustrated.)

**FULL FLOOR MATS** (For Ford F100/750 Trucks) Rubber mats offer excellent floor protection. Choice of black, blue or red. May be cut to make twin mats.

**POWER DISC BRAKES** (For Ford F100 (4 x 2) 5100 GVW and under Regular Cab; F100 (4 x 2) 5100 GVW SuperCab) Insures easy, dependable braking. (Not illustrated.)
